

Aemilius Dost

Experienced SEO Specialist

👤 Profile

I am a Top Rated SEO freelancer on Upwork (top 3%), looking to switch to a more stable full-time career for an innovative company or agency. I have served more than 45 clients, and have gotten great results which you can see below

📁 Employment History

Top rated SEO Freelancer at Upwork

August 2019 — Present

Companies I have worked with:

- **Questback.com** (funded tech company) - 700% up in organic visits in less than 7 months. Optimizing blogs for SEO as well as an organic backlinking campaign.
- **Vertellis.com** (15 million a year eCommerce company) - 800% up in organic visits in 9 months. (contributed to \$300,000 in sales) by creating an all round SEO strategy and getting organic backlinks from companies such as Shopify and INC.com. Also managed a team of freelancers (5+) and communicated with key stakeholders on the progression of the SEO campaign.
- **Vertellis.nl** - 300% up in organic visits in 9 months
- **Ultahost** - Worked on the on-page SEO optimization of more than 100 pages across 2 languages.
- **TradingstrategyGuides.com** - Recovered the website from the helpful content update, and recovered over 10000 in monthly traffic in the YMYL niche
- **Wisesheets.io** - Helped with the content strategy and did an audit on their YMYL content
- **Glimp.co.nz** - Analysis, and finding quick wins for one of New Zealand's biggest comparison websites
- **Comparebear.co.nz** - Keyword research, competitor analysis, and backlinking strategy for one of New Zealand's biggest comparison website.
- **Geotab.com** - SEO strategy as well as, competitor analysis and keyword research for the biggest telematics provider in the world.
- **NP Digital** - NP Digital is a marketing agency owned by legendary marketer Neil Patel. I helped NP Digital with the SEO strategy for one of their clients.

Other companies I have worked for as an SEO specialist:

- Flixboss.com (Netflix Guides)
- Meetcuracao.com (Hotel Website)
